### The Premises:

My hotel--not the greatest, but near Gatwick. A little hot, but Brandy made it much hotter!

### The Lady:

Brandy is a gorgeous, tall (5'9") curvy lady, not quite BBW, Afro-Caribbean, with beautiful braided hair and fantastic breasts and hips. Her website photos do \*not\* do her justice. She is much more beautiful in person.

### The Story:

Buxom Brandy is one of the best known ladies in punting circles. I have had the good fortune to read her posts on the message boards and to exchange e-mails with her. When I saw Brandy's website, which emphasizes her dominant nature, it seemed to conflict with the sensitive caring lady I saw elsewhere on line. When I spoke with her by phone, I asked if the dominant role was something she expected to do with all her dates. When she said no, I was encouraged, since I'm not into the dom/sub scene. I made an appointment with Brandy for a trip in January, and when I came down with pneumonia and did not make that trip, I was very disappointed, mainly because I would not be seeing Brandy.

When I was back in the London area in August, I made sure to call Brandy. We agreed to meet at a hotel near Gatwick on a Monday evening, the night before I returned to the US. I wanted to have a pleasant memory to go home with, and Brandy definitely provided it. She came to the hotel, and arrived while I was getting some sodas. It was during the historic heat wave, and of course the hotel had no air conditioning. I was thrilled when I saw her at my hotel room door upon my return.

Brandy is tall and gorgeous. I especially love her accent. We chatted and I told her how happy I was that we could get together after our failed meeting in January. She was sweet and told me that she was happy we could finally rendezvous as well. I gave her a couple of presents I had intended for her, and we got very comfortable together very quickly.

Our two-hour appointment was perfect. Brandy is a fantastic kisser, which I love. Her breasts are

fantastic, and she loved having them sucked and nibbled, and I really enjoyed doing it. Reverse O with her was glorious, and she had just enough hair to turn me on?I?m not really thrilled with totally shaven pussies. She held a pillow over her mouth to suppress her loud orgasms during this part of the night.

One of the unforgettable moments of our evening for me is the image of Brandy between my legs, my cock being sucked deeply into her beautiful mouth. It was fantastic. We finished doggy style as I grabbed her beautiful hips and pumped away. After we dressed, I walked her out to her car in the parking lot. I was wishing that the evening would go on even longer.

Brandy has the reputation as one of the best, most talented most appealing ladies on the punting scene. Her reputation is well deserved. I?m glad I was able to sample her phenomenal talents first hand. Thank you, Brandy, for a fantastic evening. I'd like to do it again really soon.
