### The Premises:

The place looks a little rough from the outside and as this was my first visit, I did wonder if I was at the right place. However, inside it was very well appointed and nicely decorated. The Lodge is under going refurbishment at the moment, which should make it even nicer. Was greeted by a very friendly and attractive receptionist.

### The Lady:

Marie is a lovely looking girl. She is dark haired and has a petite figure with a lovely pair of enhanced breasts.

### The Story:

The prices range from ?40 - ?60 (plus ?10 room hire). I went for the ?60 ?bit of everything.? Started with a light finger nail massage ? it was more of a finger nail tickle, than massage, but I really liked it. Marie made my cock hard, using her hands and rubbing a vibrator up and down my shaft. She put the condom on with her mouth and gave me some excellent O (with). I enjoyed licking and sucking her lovely breasts before she climbed on top and started to ride me. Moved on to some doggy and I knew I was getting close, so we stopped and tried some reverse O. Marie has a sweet pieced pussy. Then it was off with the condom and finished with a tit fuck.
