The Premises:

As described in many other FRs on ladies from this establishment. The VIP room is excellent with a massive bed and large bathroom with a spa bath/jacuzzi

The Lady:

Nikki is in her 40s and a little overweight but has a pretty face and a nice smile which to me are more important than her fine pair of boobs!

The Story:

We started by sharing a nice leisurely jacuzzi bath while we chatted and got to know each other a bit. Nikki is a relaxed and friendly personality and easy to get on with. We then dried off and moved to the bed where a thoroughly enjoyable session ensued. She clearly enjoys her work, particularly when it involves being on the receiving end of oral. She kept me going at this with "Don't stop, you can't stop now" until I brought her to her point of satisfaction. This was fine with me as, like Jeeves, "I endeavour to give satisfaction". After that it was my turn and I enjoyed an adequate covered BJ followed by doggie and then mish and a cuddle to finish off the hour. Altogether a thoroughly satisfying, if not outstanding, session.
