The Premises:

Before I go any further I should say that I did make my booking via Agency Incalls, but as her pics have now been removed, I've put Pasha's site details above.....Not only that they seem to be alot cheaper rates for her!

Decent enough two bedroom place near the Cromwell Road. Not lavish but she did say she is going away soon and when she returns will find another better flat.

The Lady:

Again the new pics and discriptions are very accurate on the site. New pics are an improvement and certainly show a more stylish Alex.

She has a great body and has an allover tan. Alex is very tall, must be all of 5ft 10 in her bare feet.

She welcomed me at the door in a very short white dress that certainly got the pulses racing straight away. I opened the bottle of wine I had bought along with me and we got to know each other.

We got along like a house on fire and chatted for hours in between what I really went there for. All I will say is the appointment overran by a long while, so much so that when she didn't ask for anymore money, I gave her a ?50 tip!

A great smile, a bubbly personality and great sexual performance can be expected if you go and see Alex when she comes back from Bulgaria. Loads of intimate kissing, owo and reverse oral are all available.

Her pics have been on quite a few sites in the past, so all I would say is, shop around a bit for the best rates. Having said that her new pics do seem to have kinda pushed her up into a new pricing bracket.....maybe!!!
