The Premises:

Jasmine's home is in a small village near Amersham in Buckinghamshire. Perfectly safe.

The Lady:

Her profile in Judy's is 100% accurate, apart from my not being prepared to meet one of the most 'bubbly' women in town.

For a lady around 5 ft tall, Jasmine has the most wonderful firm tits with large dark brown nipples. She knows how to use them. And thankfully so do I.

I can confirm matching cuffs and collars. A dark brown triangle above the target zone to be precise, for those of an inquisitorial nature.

The Story:

Once the Bank of England's coffers were replenished by me the action started.

I read with interest many FRs about the pleasure obtained by punters receiving a foreplay massage. Jasmine offered this, but I am sticking to my current personal timetable to review foreplay massage around 2040. Until then ...

Jasmine does like to kiss and is very kissable too.

In advance I knew that everything was covered, however Jasmine does like to have her cunt licked and sucked which I diligently did in my role as representative for the day for all punters out there.

Then on with the dreaded cling film for some Oral. I tried to tempt her to do OWO ... and got reassuringly close ego-wise ... but sadly to no avail.

Finally doggy. I defy any man over 30 to last beyond 2-3 minutes in serious doggy with Jasmine.

In our cool-down phase I said to Jasmine ... wouldn't it be great if women knew what men actually wanted rather than what women thought men wanted. She gave me yet another smile, a 3-d view of her wonderful tits, a kiss, and then brushed her triangle against me. Enough said.

Visit and report ... particularly those of you who can go beyond 3 minutes in doggy with Jasmine.
