The Premises:

Tiny flat in Rark West Place. Spartan room mirrors all around bed though :-)

The Lady:

As per photos, slightly chunkier in the flesh.

The Story:

Full on everything: French kissing, OWO/CIM (Spits), Anal, (She loves this) rimming (both ways) and finished round two with her kneeling below me, 2 fingers up her arse and wanking over and jizzing her face, while she licked it off!

Only downside, is the fake moans at times and that she has put on some weight since I last saw her. Plus some awful RAP music she put on!

Wont be going again myself as Im cutting down on punting for a while, but if you want a good dirty fuck with a whore that can take it, then Terri is the one!
