The Lady:

I caught Scorpio on a rare bad day....I picked Jade as she was best of an average bunch, no ZOe, No Danielle, no Cheryl, no Charmaine, no Robyn....Should have called first....should have left but seemed rude to do so. Jade is overweight and a bity loud for my liking.

The Story:

Oral was with....and average, thought of sex wasnt worth contemplating.....not a great punt. Sure she could do a good job with someone in a better frame of mind.
