The Lady:

KELLY-blonde, i would say about size 10, mid 30, amazing tits!!! amazing arse!!!. Someone who could make anyone feel at ease.

The Story:

Kelly is one of the few diamonds you find in the barren wastelands of Leicester. We started with a slow sensuous back massage whilst she slowly teased me with sensuous kisses. Her oral technique is firm and focused with just the right speed and then when you look down, you can see the intensity in her eyes and boy, do you have to stop her. Reverse oral is pleasure with Kelly, as she is so responsive, you can really feel how much she enjoys it; the best bit for me is how sensuously her finger and nail run through my hair and over my skin, it's electrifying. Sex, what can I say, any position you like and this lady knows how to control her sweet fanny for maximum pleasure.

Kelly truly stands out as a very special lady, one of the few in Leicester. She is so easy-going and the sex so fluid, can't wait to return.
