The Premises:

The address was reasonably easy to find and as there is a multi-storey car park just around the corner it will be easy to park.

Everyone was coming out of a nearby church, I felt VERY safe!

Once inside I was shown into the first room on the right which was quite big and featured a huge jacuzzi and a double bed.

The Lady:

Nina opened the door and as she had only just got up (!!) looked a bit bedragled, however when she returned 15 minutes or so later she looked quite nice. Short, maybe 5ft, long black hair, small breasts and quite 'chunky' legs. I'd guss she's in her 30's.

She told me that during the week there are 4-5 ladies to choose from.

The Story:

My first time in this sort of place so I wasn't sure what to expect. Anyway, after the bath had run she made sure it was the right temperature and asked me to get undressed and get in, she took of her dress and panties and joined me.

She bathed me, paying just the right amount of intention to every part of my body. She was between my legs, on top of me, sideways to me - she was everywhere in a really sensual manner. The mix of her all over me and the bubbles was incredible.

I asked about extras (over and above the 40 mins for ?25 entry) and decided on the hand job and massage for ?40, other options were oral for ?60 and full sex for ?80. It was a fantastic experience by a real expert, finding my thumb inside her pussy was a wonderful moment as well !

We got out of the bath and onto the bed for a very firm massage which did wonders for me.

Another option here is 2 girls for just an extra ?10 entry fee - I think I'll try that next !
