The Premises:

My Hotel.

Decent enough apartment type hotel booked via laterooms.com.

Seperate lounge and kitchen areas.

The Lady:

Not stunning, but still nice looking girl. Gisele is Brazillian and as you would expect has a great tan/skin colour.

Pics and description on website are accurate. Gisele also works for Academy Girls as Kelli, where more pics can be found.

Overnite rates exactly the same.

The Story:

Booked for 8pm originally.....then when I spoke to Susan at the Agency around 6pm, she asked me if we could make it 8.30pm....not a problem.

8.45 came, no sign, rang Agency, 5 mins away....9pm came, yup you guessed, no sign. Eventually at 9.15pm I got a knock at the door from Gisele.(Why do Agencies do this? If your gonna be late, fuckin say so, rather than pissing people about!)

Anyway I had already had a drink, got tired of waiting, so we sat on the sofa and got to know each other a bit better. Nothing quite like watching Arsenal live on the box that makes you wanna get into bed/do something else instead!

We actually had quite a good nite together in the end. We went out for a superb Indian meal closeby and stayed up 'talking' into the early hours of the morning.

Gisele was pretty good in bed and owo and cim was available.(tried and tested).

Because we went to sleep late we didn't rise until well after 10am. Gisele still hung around for a bit of tea n toast and then departed after 11am.
