### The Story:

First an appology for not submitting my report sooner due to not being able to submit reports and other comitments

Having previously seen Morgan I decided on this occasion I would book her for the hour. After seeing her in reception looking as wonderful as ever I could not wait to get her in the room. After taking a shower I waited a few moments till Morgan walked in the room dressed in a short see through black dress and matching tiny panties

We started with a long passionate kiss and cuddle before she offered to do a sexy strip routine then asking me to take her panties down with my teeth a very pleasent experience as I had booked her for the hour we had plenty of time to explore each others bodies. Morgan started by giving me a body to body massage rubbing her breasts all over me berfore getting her tongue to work on the inside of my legs and cock which I found to be a very erotic turn on she then said it was my turn to give her a massage with this she lay face down on the bed and I was able to enjoy her wonderful tight bottom at close quarters while I massaged the inside of her legs and by accident I found a way to hit the right buttons on her and after a few moments she said that her nipples were going hard and she had a big contented smile on her face I then turned her over to put my head between her legs to taste her sweet pussy juice which tasted as wonderful as ever

We had been enjoying each others company so much that time was begining to run out when Morgan suggested theat she would love me to cum over her breasts and with this grabbed my cock and wanked me off till I shot my load all over her breasts a fitting climax to the wonderful hour I had just spent.

Although I visit Sandy's for sex with some wonderful ladies this time I was able to enjoy a different totally erotic experience with a very lovly lady

Thanks again Morgan and I look forward to my next visit luv Peter xxx
