The Lady:

Anika is very attractive lady - it is an often stated comment but to my mind she is far more attractive than the pictures on her site. She was wearing the underwear I had specifically requested and has a fabulous body.

The Story:

I had read other reports and was intrigued by the comments regarding her welcome - they were spot on... she welcomed me with a passionate hungry kiss and cuddle before I even had the chance to say anything. Very nice.

I have had some disappointing experiences lately and had therefore been quite specific before hand about what I wanted. I needn't have worried - Anika was superb. She was so full of energy and determined to give me exactly what I wanted, and then some! First round was awesome (it took me a little while to get my breath back and return to normal!) and then she gave me a massage and an excellent second round.

She wasn't the slightest bit worried about clock-watching and seemed intent on giving me a great all-round experience. Before I left she suggested a threesome next time with a girlfriend of hers... I don't know if I'll survive that one! She says she has a lot of repeat visitors and I can see why. If I can afford it I will become one of them.

To sum up - beautiful woman, great body, great sex, lots of fun. Can't wait for that threesome...
