The Premises:

Discreet studio flat in nice area. Felt very safe. Slightly messy inside. No one would know why you're there.

The Lady:

Short blonde mediterranean looking girl with good English, slim with large (enhanced) breasts, pouty lips and quite pretty. Had a pleasant and friendly manner.

The Story:

I booked Sacha via agency which was new to me but worked out OK and I found the place no problem. I was greeted by Sacha in a nice mini dress with heels. Phwoar. Sat down and expected the usual pleasant chat but was surprised when she leaned onto me with a kiss and seemed keen to get on with it. She kisses readily and quickly suggested moving onto the bed. Nice full body massage with good attention to the groin. BBBJ was good though I usually insist on covered blow job but forgot to ask. Had her on top after this and then pumped her from behind with her petite ass jiggling about (during which wishing I had a very long nose so I could sniff her ring). Felt quite rushed at the end but a pleasant experience nonetheless and quite good VFM.
