The Premises:

The Georgian, I?ve described it before easy to park, safe, clean and good value for money, though the reception area is a little like a doctors surgery! The girls, do though, sit and wait in the reception area, which is good, you can see who?s available and have a chat with them.

The Lady:

Jodie is a very pretty blonde lady with a superb lithe body, a lovely natural pair of medium sized tits and a semi shaved tight fanny.

The Story:

I?d travelled down to Oldham, on the way to London and called in at the Georgian to have a break and some relaxation, I briefly saw Jodie flitting through the reception area and thought that she was rather smart so I booked her for an hour in one of the rooms with a Jacuzzi. Jodie waltzed in and set down the ground rules, she said she didn?t do any ?specials? only straight massage and sex, I found this a bit off putting, but as I wasn?t after anything out of the ordinary, I carried on getting a shower while she popped back out again. When she came back she gave me a nice hard massage and I turned over and started to stroke her fanny, she allowed this but I wasn?t sure how far I could go, in the end I started to move down her body to give her inviting fanny some close attention, when she warned me off with ?I don?t accept oral?, this was a shame, but I consoled myself with the thought that it was as much her loss as mine! Anyway we moved onto sex, this was very good, she certainly knows how to fuck! We tried many positions and I finished up in my favourite doggy position with her gorgeous ass in the air and spread for a delightful eyeful. After this, we finished up having a nice relaxing soak in the Jacuzzi and a long pleasant chat. It turned out to be a much better punt than I originally thought!
