Spacious, clean flat in modern block close to Victoria station. Great big bedroom.

The Lady:

Stunning - the website pics are genuine, though she now has an overall tan. Long blonde (dyed) hair, pretty face, slim, B-cup breasts, fantastic arse.

The Story:

I was Leanna's first-ever client - I suspected I might be when I booked the appt as her pics had only gone up on the site that day. I thought that would be fun, but it turned out to be a disappointing punt.

After a brief (nice) chat, started nicely with her dancing for me and rubbing herself against me, but there was something manic about her dancing that didn't augur well. Basically, she didn't relax at all, had a pre-planned routine that she wanted to force me through and she did a very bad acting job of pretending to be really into the sex - lots of 'I'm so wet' and 'You're so big' when both patently weren't true. In the end I was becoming completely turned-off, so I had to stop and ask her to calm down and just relax.

Also on the down side, oral was covered only, no fingers allowed inside and she only gave one or two kisses after a lot of persuasion. The sex was good once she calmed down, though I had spent so much time getting her relaxed that there was only time for one round. All very frustrating.

She is incredibly pretty and has a great body, which counts for a lot, but the experience itself was somewhat mediocre. She may improve with time, but I wouldn't personally return.

(I posted this FR previously under the name 'Leanna' but decided to repost as she is now listed as 'Elena' on the agency site).
