The Story:

I'd been trying to get a session with Helen for nearly twelve months when suddenly all the pieces fell into place. Helen greeted me at the door and went straight into a clinching passionate kiss. Just like meeting an old friend - but sexier!! Her hand stroking my now bulging cock was full of promises.

Helen led me to the upstairs bedroom by the hand and suggested I get undressed, she was topless at this stage and started to give me the most exquisite BBBJ I can ever recall.

Both naked we reclined on the bed whilst she carried on licking and sucking my cock & balls until I erupted in Helen's mouth. Evidently one who enjoys a high protein diet Helen swallowed the lot.

We cuddled and chatted and I asked about the 'men over 40' thing. Helen believes that a lot of guy's younger than that, are still dick heads, can't afford it, and aren't reliable - they don't show!

Somehow I found my head between Helen's thighs nibbling her pussy and teasing her clit. Helen comes quickly - then said that's why she like a bit of experience in her men!

More cuddling and kissing and Helen evidently decided that there's no such thing as only once and began to lick and suck my cock again. I wanted to fuck Helen but the BBBJ was so intense that I exploded in her mouth once again - bliss.

Though I'd lost track of the time I was getting the vibes that my allotted time was near to an end and told Helen that I'd was hoping to fuck here. Helen's wicked little smile said that it might be arranged and we had some gorgeous mish sex. Helen's feet came up by my waist so I gently place her

ankles each side of Helen's head so I could get really deep. This seemed to go down really well at the time.

All things must come to an end so we cleaned up, dressed & parted. I'd taken a camera with me - & totally forgotten about it such was the pre-occupation with Helen.

As Arnie once said - I'll be back ;o)
