The Premises:

Debbies is a basement flat right beside Anerley Station. The flat itself is very clean and tidy and has a roomy ambiance about it.

The Lady:

Descriptions and pictures on the website are accurate ? Diana is 23 year old at 5'6 tall with a 34c-24-34 figure.

She is currently leaning English at the moment ? but don't let that put you off, she has a very, very sexy accent, and that smile of hers?????. will make you drool.

The Story:

This is Diana first day back at the flat after a break of 18 months or so and what an addition to the place she is.

I had phoned in earlier in the day to see who was working and was informed by Debbie that Diana was back and that she would be someone that I would really like (any girl recommended by Debbie is very high praise indeed and Debbs is not wrong here).

I had arrived a little earlier then I was booked in for, which I normally do and I was kept company by Mel (Like Pat is efficient and extremely friendly) who had just started the week before.

Diana was wearing matching red bra and panties and she just looked drop dead gorgeous.

When Diana was ready, I was shown into the room and as soon as she came into the room we proceed to undress each other. Diana likes to use her hands a lot and she employs the use of her tongue for lots of teasing during the massage. There was plenty of kissing and cuddling, which was intern, followed by slow oral (covered) with lots of eye contact and even more tongue work which made the anticipation grow even greater.

I had the pleasure of playing with her gorgeous breasts before moving on to reverse oral. Diana does get very wet and that make the experience all the more enjoyable.

We then had sex in a number of positions before I finally shot my load.

Like the other girls at Debbies, Diana was enthusiastic and pleasing throughout. All I can say is that this was one of my best punts and you should see her while you can before she gets really busy with all the recommendations she's bound to get.
