Details of Service Provider:

Company: London Girls

The Premises:

Basic flat in block of flats ; sidestreet of Bayswater

The Lady:

Tallish , shoulderlength straight mid-blonde hair , medium size breasts (with very nice looking nipples - biggish with nice colour), slim

The Story:

First of all the good things : the girl was Polish (not Russian as stated on website) with a nice smile and pleasant character . OK face but her best assets are her very nicely formed breasts (normally like big ones - but hers were very good to look at).

Negative things : this was NOT "Rimma" (the girl on the website)although there was a slight likeness to her . Rimma is Russian (not Polish) and this girl was definitely taller than 1.73 metres as stated on website .

The agency (London Girls) is quite useless (lady on the phone can hardly speak English , couldn't spell the street name had to text it to me - had to explain to her what " stockings" were - I said " something the girl wears on her legs" said : " Understand , no problem"). I don't particularly like Bayswater (I don't particularly like Central London anyway - too many people - not stylish enough apart from a few selected spots like Covent Garden for example) .

The girl tried her best though : CIM , french kissing (she didn't first of all but I wouldn't hand over money before she gave me proof of that by doing it) , OWO

Won't use agency again.
