The Premises:

Sandy's in Prestwich (well Bury). Perfect setup. Very discreet. My first visit so was a little nervous, but the receptionist was very friendly and put me at ease. Excellent place.

The Lady:

There aren't words available that can accurately describe how stunningly beautiful this young lady is. Just look at the website pictures and believe me, she's even more amazing in real life.

The Story:

When I first saw Leah in person, I couldn't believe how amazing she was. Not just her looks, but in her overall manner and personality. She set me at ease and was very friendly. It felt like we'd known each other years. I think the moment she kissed me was like an electric shock running through my body. Knew this was going to be good.

She then undressed and proceeded to give a full body to body massage (a first for me) and then go to work on the suddenly hard mini-me. Looking down and seeing that angelic sweet face look up at me as she, well you know. It was all getting a bit much to handle. I then returned the favour and set to work on one of the sweetest shaven pussy's I have ever seen. I could've quite easily done that for the full hour (and I think Leah would've let me... in fact, next time I might just).

Moving on to the sex itself and things just kept getting better. Leah is quite happy to try any number of positions. Quite handy really considering that I couldn't decide if looking into those sexy eyes or staring at that perfect bottom was the best course of action. The difficulties of choice eh???

Leah offered multiple choices for where I could cum (considering I nearly did that when she first walked in I surprised even myself that I'd lasted that long), and opted for the CIM. Looking at her talking dirty to me as I came was an image I will never forget.

Easily one the best times of my life and one I hope to repeat in the near future.

Leah is an amazing girl (the looks, the body and the amazing personality) and will go far in

whatever she decides to do, so enjoy her company whilst you can. How I wish she worked a little closer to Leeds!

Thank you Leah. Rx.
