Thirty-something, slim, dark-haired - beautiful smile with a wicked twinkle in her eye!

The Story:

I thought it was about time I submitted a report - I've been to see Patrice several times, and will go again. I've seen a number of working girls, but there is something very special about Patrice. An hour of intense pleasure, punctuated by great conversation. Very accomplished in matters sexual - your mileage may vary, but IMHO one of the great blow jobs in the world, and to completion.

On top of that, a manner that really makes you feel she is genuinely pleased to see you, and puts you very much at ease. She has an attractive, refined, softly-spoken accent. She always leaves me feeling very happy - and very drained!

On this occasion a pleasant conversation with Patrice and the receptionist on the way out for a couple of minutes as the next customer went up - the complete opposite of "right, your time's up - get out"

Superb, as always - I'm counting the days till the next time ...
