The Story:

Phones at 12 ish and she was still getting ready, what a babe! explained that i only had ?10 and I wanted OWO. Having been before, I thought this was pushing it, but if you dont ask you dont get.

She said yep OK, just this once (he he I dont think so!!)

OWO, no complaining, deep and to completion, what more could you possible want?

10 mins for ?10 good value, but even I could ot get her to swallow. If you are reading this Nadia, thanks, I'll pay the full ?50 next time!
