The Premises:

Debbie's place in Anerley, recently refurbished. 'Nuff said. OK, if you're not from South London: Clean, safe. A rear entrance available if you want. You won't regret your visit.

The Lady:

Natalie is a slim, blonde lady of 30-something years with a pretty face, a wide generous mouth, soft skin and warm hands. She is tactile and affectionate, has a ready wit and a wicked laugh. Oh, did I forget to mention beautiful breasts with large sensitive nipples?

Natalie is new at Debbies; I'm sure she will be a great asset.

The Story:

Coffee and conversation with the lovely Patricia while waiting, then a hot shower shared with a beautiful woman followed by delightful sex (or, if you prefer, a 'fantastic fuck') What better way to enliven your midweek blues?

But it felt like more than just a good going-over. This was a very special experience, which will stay with me for a long time ... well until the next time, which won't be very long, I hope!
