The Story:

Have seen Jan a few times over the six months but she has had long summer break.
Jan is a warm sexy lady who loves Role Play, OWO, 69, and many other things besides. I, wont go into explicit details as this between me and Jan.
Due to her busy social life she can be difficult to contact but dont give keep trying it is well worth it.
Dont get her mixed up with another lady of a similar name in the same area.
I, have already made another booking.
