The Premises:

Kellys moved to a new location,door onto the street so a little exposed,for me i do not worry about such things.safe area and parking in nearby sidestreteet.According to the girls this location maybe only tempary.

The Lady:

Bonnie well long blonde hair full figuer dressed in nurses uniform underneath stockings and sussies,decide to see bonnie as the other lady could not speak very good english but she was very good looking.Anyway bonnie i would say mid thirties and seems very friendly.

The Story:

Into the room and we discussed what i wanted,?60 is the full pesonal and ?80 includes anal,so i went for anal at the higher price,stripped of and bonnie came in and started to massage my back she undressed and i could feel her tits brushing up and down my back she is very gentle she started to lick and suck around between my balls and anus which felt good bonnie even licked very close to my anus which felt really good turned over and she licked and sucked my nipples which i like and took my balls into her mouth which felt great her tits are full with big round nipples which looked horny as she played with my cock,i asked bonnie if i could go down on her fine she said,so down i went onto that well used cunt,licking and sucking on her clit and putting my tongue as far up her as i could Um!i think bonnie came twice while i licked her out as she got wet and lifted herself into my tongue as she cum!so on with the nodder and she began to lick and suck my cock (shame it was covered)anyway when i was hard enough bonnie got on top and began to fuck me cowgirl i was not quite hard enough so changed position to mish and i fucked bonnie as she played with my nipples she said do you want my ass!and as i felt my cock harden inside her surprisingly tight cunt i said yes,so we changed to doggy and she guided my hard cock up her ass a few strokes and i was right into balls deep in her entrails her ass felt good nice and tight and i began to pump hard into her ass we were both talking dirty about us ass fucking which was a turn on and after about five mins of pumping her ass i unloaded into her bum it felt good and as i pulled out she cleaned me up with a wet wipe.A good punt,but their is no shower and the beds look a little tatty so be careful,on reflection i would see bonnie again just for her ass.
