Large hotel with 400+ rooms. What you would expect of a 4* hotel in Central London.

The Lady:

Emily also works for Academy Girls as Juliet. She is a cracker. Very tall with lovely blonde hair and a great body too! Her English is excellent and the description on both websites are accurate.

The Story:

Quite a chilly night when we met, so when Emily turned up at my door she had a big coat on. I opened a bottle of wine and we sat on the bed getting to know each other for a while, before anything really happened sexually.

Kissing was great and her OWO is very good. Highlight for me though was peeling off her panties to reveal a fully shaven snatch that just cried out to be licked.....And I duly obliged!

After we had sex in a few positions we got dressed and I took Emily to a little Italian place closeby and we had a nice meal.(Just a tip for anyone looking to book her in the future, Emily loves red wine, so if you wanna impress her buy her a bottle of something nice and she will definately appreciate it.)

A few more drinkys in the hotel bar after the meal and we toddled off to bed. A few antics before we slept and again in the morning before breakfast was delivered too the room, capped off a superb time with a great looking girl.
