The Premises:

Scorpio is one of the better Edinburgh saunas... smallish changing room, but clean showers with toiletries, neat rooms with mirrors & baths, and usually a decent selection of girls on duty

The Lady:

Young white Scottish girl, slim brunette with longish hair & nice sized boobs

The Story:

Tia had sat quietly in the lounge while the other girls had been carrying on, after picking her I had second thoughts thinking she might be too reserved... WRONG as when she came into the room I felt

All reservations disappear as she erotically peeled off her lingerie and hopped onto the bed straddled me on all fours while giving me a nice full kiss... all the time she was wanking me slowly & gently just the way I like it.... after a while of this it was on with the plastic raincoat for sex in various positions...

She is fully shaved if you like that sort of girl, near the end she offered me anal but as I wasn't quite fully hard & time was short we decided to leave that till next time...

Believe me... there will be a next time... oh yes
