The Premises:

Classy room in upmarket belfast hotel, which i had booked prior to our meeting. very at ease, very good setting

The Lady:

medium height slim blonde girl with a figure and face of an angel. stunning is the only word for this young lady.

The Story:

Made me feel very horny as she began a slow sensual striptease and lap dance. massaged me beautifully then gave me such good oral that i could hardly contain myself for the amazing sex i got as i took her from behind. this girl may be young but she sure knows what she's doing!
