### The Premises:

Excellent facilities, well described on website.

### The Lady:

Pretty mid twenties, couuly figure.

### The Story:

Competent massge, followed by a scorching oral (covered).

Probably the best oral you could ever imagine, it was almost too good.

Lucy seems to ask what you prefer at every stage, I would say if you aren't satisfied you were asked.

A very good visit, climaxed with a good back shot.
