### The Premises:

Easy to find and very convenient parking directly behind. The most well furnished, comfortable and best equipped parlour I have visited.

LBB have just updated their review of Karens, Whitefield and not before time. Five rooms- all beautifully furnished- dvd's playing- mirrors everywhere- and immaculately clean throughout. Four or five girls working each day and the three that I saw looked very tasty.

### The Lady:

I chose to go with Jade. She is a gorgeous blonde who reminded me of Shelly from Coronation Street (yes I do watch it- sad I know). Jade is 34 has a great body and a lovely friendly personality. She is one of the rare girls who takes a pride in giving her clients a great time. She is full of energy and is very willing.

### The Story:

Having been given a choice of massage I opted for a fingertip and nipple massage and that was heavenly! Having turned on my back Jades next treat was OWO and we extended this into 69. Her oral skills are excellent and I was quickly ready for some shagging. First we shagged in an armchair then with Jade bent over the end of the four poster bed. Back on the bed we went back to OWO and this ended with me cumming loads into Jade's willing mouth. Awesome!

A great punt with a lovely girl in sumptuous surroundings.

This was my first visit to Karens- can't wait for my next.
