The Story:

Apologies for the delayed write up but Galahads mailbox has been full for a while?

A return visit to make sure I didn't dream the first visit.

Welcoming kiss, short black skirt & Black top with no underwhere. Soon down to business having stripped off & on the bed. Treated Helen to some oral that she certainly appeared to enjoy. By this time I was ready to burst so sat astride Helen and was encouraged to play my throbbing knob between her ample breasts and lips. With Helens tongue lapping at my glans I could wait no more and Helen took my knob between her sweet lips and sucked me dry of all the cum I had been saving.

Another cuddle and chat whilst Helen played absent mindedly with my cock and soon had it hard again. Helen bestrode me with the glint in her eye of a gal who was going for what she wanted and she impaled herself on me and rode me cow girl with her gorgeous breasts bouncing nipples in and off my lips until my cum shot inside again.

Amused ourselves with chit chat & more easy talk about student calling up and cheekily asking for discounts. What you see is half what you get with Helen! Again Helen teased my cock & balls hard again and I rolled Helen on her back missionary and slid my pecker in for thirds.

Another wonderful morning with a wonderful lady - treat her well
