The Premises:

This is a fairly nice parlour, which is undergoing some building work at the moment. It has friendly enough staff.

The Lady:

It says on the website that Jane is 19 years old, which I think is about right. She's young and fresh-faced without looking too young. She has a good figure and nice boobs.

The Story:

This is the last of 5 FR's, which have taken a while to submit due to the mailbox being full and me not having access to a computer.

I picked Aquarius as I knew I'd needed 2 bites at the cherry and here you pay for time rather than by-the-shot (Dr Steve's report notwithstanding - although reading his report, it now becomes clear way I was asked right at the beginning if I wanted to cum once or twice in the session).

The punt was OK, but nothing special. I reckon with a little more experience she might become pretty good. The service was a little limited ? no OWO, no 69, no fingers inside, no kissing, but it was enjoyable none the less (even though she'd cut her hand earlier and used toilet roll and cellotape to bandage it up, leaving her right hand out of action). The O with was a little limited and I could have done with a little longer.

At the end I felt a little rushed out, even though I'd only had 45 mins, but I was happy to have a shower and leave. Because of the limited service I won't be going back, but she's a nice looking girl and if you like them inexperienced then give her a try.
