The Story:

Annabella was for me a good time spent in fun company. She did everything that I asked of her. I had had for some time a fantasy about showering and fucking at the same time. This I achieved with her superbly. She was well confident in her ability to get me hard and she proved it. I undressed her in the bathroom and kissed her body all over. While I got undressed she slipped into the shower and started to soap herself. I joined her and she used her body to soap me until I was covered in suds. She used her hands all around by cock while she performed this and put me in heaven. Within moments then I was ready for her and she bent over in front of me so that I could fuck her from behind while the splash of the water on my back helped me to relax into it. A great session with a lovely woman !!
