### The Premises:

Sandy?s is very good although I do think the Reception/waiting room area could be improved. Receptionists Nicky and Debbie are very friendly and welcoming.

### The Lady:

Patrice, very good looking, nice body and legs. Slim, slightly athletic and gorgeous dark hair. A Lovely face and she looks much younger than late thirties as stated on her biog.

### The Story:

You get accused of faking reports if you only submit one and you also get accused if you submit a lot for the same girl. You just can't win with some posters . I see Patrice regularly, but I'll be sparing with my FRs for her. I have seen Patrice several times since my last FR about her and the reason I am submitting this one is to say that she just gets better and better. Me being a more mature (older, let?s face it!) punter I find Patrice is absolutely perfect for me. I like a lot of GFE and with Patrice I just get lost in the moment with her. For that half hour I'm not in a massage parlour with a working girl, I really could be at home in my own bed with the best girl friend I've ever had. It's remarkable how she relaxes, inspires and brings the best out in me. Her OWO is fantastic, she is so sensuous from virtual deep throat to gentle, sensitive tongue work. And when she gets into 'no hands' mode it's incredibly difficult to keep control, especially with the wicked/naughty/cheeky eye contact she gives while doing it. That look, with her hair cascading down in front of her is something I shall savour forever. She's just brilliant, I wish I could wrap her up and take her home with me, although I'm sure a lot of Patrice's regulars wouldn't go a bundle on that. She's very responsive to reverse oral and loves sex doggie style. The thing that amazes me is that although she does have a lot of clients she remembers you individually, remembers your likes and dislikes which make seeing her better each time you visit her. I just wish I could afford to see her more often.
