The Premises:

The place is ok. The bedroom is clean and safe. A back entrance is sometimes available (most of the times it's locked and they do not have the key).

The Lady:

A tall, slim woman with a lovely face. She is not happy about her legs, I think they are great.

The Story:

Lisa is a hot, clean and nice woman who loves giving oral sex and fucking with strangers. I thoroughly recommend her as a passionate but professional WG who loves her job. She will make love to you giving you the present of a horny, dirty and tender girlfriend. What else can you want for your money?
