The Story:

if scorpio's was the venue for a talent show called SEX IDOL and simon cowell was watching Camerons performance with me, his words would be BLOODY FANTASTIC, A STAR, DEFINATELY NO 1, no way he would have the slightest criticism for her performance. this was Camerons first day here. i was her first punt (i believe also first day in this business) and the minute she stripped off and joined me on the bed it was pure girlfriend material which i have never encountered before. in my eyes this was not a punt in an establishment but something that i have experienced before with an ex lover. i really hope that she does not continue this path as shes far too nice for this kinda stuff. with respect to her i am not going to divulge and tell all of our time together. xxxxxxxxx
