The Story:

I first saw a pic of Nadia on the old streetgals site, and got her contact details from her PN Frs.

Excellent service, very friendly girl, laughs a lot.

Had a brief massage, finishing with some delightful fingertip attention to my balls. Asked me whether I wanted oral with or without, which I thought a nice touch, and then proceeded to give some amazing ball-licking and deep OWO, and even more ball-licking at my request, before some cowgirl (covered).

No rush at all, paid for 30 mins, got 40.

She also does a 15minute service for ?25, and of course longer services.

I found her to be a fairly intelligent girl, who may have come down in the world for whatever reason, and is now working herself back up again, and bloody good luck to her too. She shows a good attitude, both on the phone and in the room which should serve her well. She seemed to have the amazing knack of doing things for me just as I was about to ask.
