The Premises:

Really friendly and well equipped parlour with easy parking directly behind. Used one of the downstairs rooms directly off reception. Loads of space- en suite shower- mirrors everywhere including the ceiling- immaculately clean and very comfortable. Four girls working but I particularly wanted to see Jade who gave me a great time on my first visit two weeks ago.

The Lady:

Jade is a beautiful blonde, a really nice person and a sexy minx!

She is a true professional who really takes pride in giving a good service and sending her clients away happy. She regards every punter as a possible regular and consequently has a large following.

The Story:

Skipped the massage and went straight into some kissing and cuddling which was great. OWO was excellent and led into a prolonged 69 session. Jade then kindly obliged me with a good rimming and then I returned the favour on her. More OWO followed and Jade allowed me to finish by giving her a massive facial about half of which went into her mouth. A leisurely clean up was followed by a nice chat and plenty of laughing. Jade makes me feel special and I look forward to my next visit.
