The Premises:

Well described in previous FRs. I liked the white bathrobes.

The Lady:

Slim, tall, blond. Really gorgeous, legs to die for. And, God, she?s so fragile! I also met some other girls in the lounge and had a wee chat with them. I liked the Thai girl called Sam and the Cuban girl whose name I can?t remember.

The Story:

I booked a session with Zoe in advance, based on other FRs. It seemed to me that she wasn?t in the mood that night: no eye contact and a lot of clock watching. I must admit I wasn?t in my best shape either. (After all, we?re all humans and we have our ups and downs?) Besides, there was a very annoying radio (I asked Zoe to switch it off) and a noisy air conditioner in the room.

I rate the lady 10/10 and the session 3/10: just bad luck and partially my own fault.

I read that Zoe doesn?t like detailed essays so I decided not to write one out of respect for her. Please treat her very well, guys, don't offend or abuse her.
