The Story:

Everything I was looking for and more. Verry sexy young girl who knows how to please. Started with French Kissing then OWO until I blew my load. No CIM which was fine. Almost immediately Lisa started OWO again until I was ready to go again and I returned the favour. She seemed to enjoy it too, until it was time to get suited up and have some mish sex !!

Sat and chatted which was nice.

Lisa only works Tuesdays and Thursdays so I'll be making sure I go along then again, especially as she's recommended a lesbian show with her pal Abby which sounds fantastic.
