The Lady:

Abbey is 19, very pretty, with shoulder length blonde hair. Being a slim teenager no faults can be found about this perky young lady. She is the girl next door type not a hardened working girl. She has fantastic legs, ass & tits & to my joy she has the most sexy unshaved pussy I have ever had the pleasure of.

The Story:

Looking into Abbey's eyes as she gave me owo was superb, her hand job technique, a favourite of mine, was joyous, especially accompanied by soft moaning by Abbey. This girl enjoys having her body explored if it is done slowly & gently at first & then more intensely as time goes on, I was in heaven whilst going down on her hairy wet pussy. We had sex in mish doggie & with Abbey squatting on me as I sat on the bed. finally came on her teenage tits as she put on a show in front of me. She is a great performer as long as she is treated proper she particularly enjoys & responds to compliments about her appearance & figure. Looking forward to a two girl with her & her friend Lisa.
