The Premises:

A small agency rented flat, dark but clean with a feeling some a degree of safety.

The Lady:

Gorgeous body with a matching smile - the kind that makes you smile back. Slim with pert little breasts. Doesn't seem to have had a bikini wax in a while.

The Story:

Greeted at the door by Victoria a very small black lace outfit. Very nice. Asked for OWO, CIM, A and WS and was told WS was extra. She doesn't seem to like fingers so it's best to keep them away and wasn't too responsive to reverse O. Got her to the bathroom for WS and she blanked the requests, ?50 down on that.

Back to the bedroom for more OWO with lots which she seemed to enjoy, great playing with my balls. Then onto straight sex. She's a very tight girl indeed and I struggled to get half inside her. Anal was ruled out due to my size (8.5" by 6.5"). I've had anal with girls before without too much trouble. Sex in missionary, cow girl before finally telling her I wanted to come in her mouth. I whipped the rubber off and she wanked me on her face, giving the end a quick lick.

All in all, an OK punt with a lovely girl who seemed to love sex, having sex but not the job as such.
