The Premises:

Karen's is a bargain establishment, but after a recent refurb it's better than it used to be inside. Backs onto a frequently used car park, so it's a little less than discreet

The Lady:

Demi is about 24. She was probably an absolute stunner before she had kids, now she's still attractive, but tits sag a little, little post-child skin around the belly, but still the overall effect is good, and she's definitely not fat. Dyed blond hair with a really nicely trimmed pussy ? great landing strip.

The Story:

Had a fantastic time with a quiet girl who really warms up when treated well. She genuinely does love sex. I'm not one of those guys who imagines all WGs have orgasms when I pleasure ?em, but hell Demi certainly did. We just went with the flow, starting with OWO, then me down on her, then shagging ? with Demi changing positions every 3 minutes! Wanted to CIM, but the shagging from behind was just so good, had to carry on until the big crescendo. Great experience.
