The Premises:

Studio flat in modern block. Safe and fairly clean, other than the bathroom which is a complete mess - I wouldn't want to shower there.

The Lady:

Nice petite body, but quite a plain face. Looks like the girl in accounts who you might fancy after a few drinks rather than the super hot PA everyone lusts after.

The Story:

Following a disastrous punt the previous week I took up the Agency's offer a discount and their recommendation of Gisele as 'hot'. (I've put her standard rate above).

Have to admit this was another disappointing punt - maybe it's me!? We spent 25 mins talking - too long - and when we got down to action she seemed reluctant to strip off completely. Her French kissing was nice, though not too deep. She finally got down to OWO, but (like Emily from the same Agency) tried to put KY kelly on my cock first. I managed to stop her, but what is it with these girls? The sex was ok, she has a very tight pussy, but she wasn't particularly animated and seemed a bit frustrated that I didn't come quickly and wanted to change position a few times. Overall, a very mechanical and cold experience.

Finally, I think it's worth saying that I've been impressed with this Agency's organization and customer service, but not with their girls - they need to find some WGs that do provide a touch of class.
