The Premises:

Cat's flat is situated in a modern apartment block about 15 min walk(or 5 mins in a taxi) from the town's rail station.The area is very clean and the flat spotless with no spying neighbours and felt totally relaxed.

The Lady:

Cat is described as a curvey lady, she will let you know what to expect when you enquire about her physique and what you hear is what you get(very truefull).

The Story:

As i was in the area mixing pleasure i thought try a little extra and on the strength of previous f.r.'s booked an hour with the famous Cat.

Dropped off by taxi out front of the flats and was guided in by Cat over the phone,precise directions.

I wont spill the beans too much on our hour only to say that of the 4 reviews i have so far posted

Cat has gone straight into the No.1 slot for the best BBBJ Ever! as previous reports state she is awesome at Oral and is worth every penny and wont spill a drop!.

She will put any person at ease and is a great talker and the hour flew by.

She treats everyone as you treat her so be please polite.

"Nice atmos,left in high spirits to pursue my hobby of bus surfing".
