The Premises:

Clean, unassuming parlour. Blink and you might miss it. On main road, so wouldn't visit during the day as its a bit too close to home. Safe enough area.

The Lady:

Tall thick blonde, short cropped hair, Bridgette Nielson look alike. Lovely tan. smallish breasts for her frame, but the bum on her more than makes up for that ... absolutely Outstanding bum, for you butt lovers like me. Its big, round and juicy as hell. Nice!

The Story:

Paid my tenner entrance, walked straight into the lounge where all the girls and the maid are sitting ... not for the shy or faint hearted" Even after all my years of punting (13 years)I still get really nervous and tongue tied when presented with this situation. Oh well ... on to the good stuff. Originally chose a Dark haired Russian, but was told she had been booked already. Looked to her left and saw Ellie's thighs and thought, yes!

Chose the 70 vip half hour in vip room, then realised I only had 65 quid. Maid took pity on me and said I could pay 60 as it was my first time. How generous of her I thought!

Started off with a lil massage, she seemed a lil nervous but I soon had her at ease ... something to do with me groping her bum constantly I think! Hadn't really gone there for sex, just wanted a BJ and maybe a titty fuck, she dint have the tits for it so went for the bj. Didn't get that far though as she started to squeeze my balls and play with my nips, both things that are guaranteed to blow my load, and I prefer to a bj anyway. How did she know? She squeezed my balls for a good 25 minutes, then I could take no more, came everywhere ... wish it was on that arse though. Never mind, I'll aim for that next time. I'll be back for more as this woman body wise is almost perfect for me. Be nice to her gentleman, and she will do a very good of relieving the days stresses. If you like tall thick boned women, with big butts and solid thighs Then she is perfect.I'm going back to take her from behind! Fantastic.

Ps: She is there Monday, Thursday and Saturday. Saturdays are real busy though apparently so I would give that day a miss.
