### The Premises:

small bedroom flat with bed on floor. no space to move but i didnt want to!

### The Lady:

stunning brazillian girl. not with agency any more but with academy girl now. shw wore that white lingerie outfit for me. wow!

### The Story:

best session i have ever had with a working girl. only went cos i had massive argument with my girl so maybe my emotions were running high but a very sexy and very enthusiastic lady. said she stripped in a well known strip club- no doubts here. moved like a snake and open to all suggestions with a big smile and passion. the time jus flew. unfortunately i havent been back so i felt i should honour her performance with this report. its true what they say, u dont know what u had till its gone.
