The Premises:

Council house type of building. Not my sort of neighbourhood... Please it was not dark, but maybe it's just my imagination... Very nice and clean flat!

The Lady:

Tall, slim, nice. Not very pretty face though...

The Story:

She is Russian actually, from the southern parts, showed me on a big map in her bedroom. Chatted, had a drink (the usual) Not too bad English and then took me by the hand and led me into the bad room where she undressed me (after showing me the map). Sex in several positions. Didn't ask for A but may be willing as she gladly had her bum poked by my finger ;-)
Did I have a good time? Yes. Worth the money? Probably. Going back? Not likely. There are prettier and more enthusiastic ladies in London at the same rate.
