The Premises:

Very nicely decorated apartment, comfortable with loads of parking. Very safe area. No problems. She shares the apartment with another WG - Caroline who is also very sexy.

The Lady:

Sacha is a very attractive blonde, size 12 with very pert 34c's. Her nipples point towards the sky, not drooping to the floor! Very nicely dressed in a black sheer top - showing bra, and short black skirt with stockings underneath. This is the fifth time I have visited her, although the first in twelve months.

The Story:

Sacha came three times! Firstly with me lying down and with my uncovered cock in her mouth I played with her very large and well defined clit whilst she was kneeling on the bed to my right hand side. She came noisily and with shudders. I then stood up and wanked over her tits - she loves the feeling of hot cum. Almost immediately I was back playing with her clit, this time with a vibrator inside her fanny. She came again. Finally, with me ready to ejaculate again over her tits she frigged herself off with the vibrator still inside. This was the noisiest cum. Excellent, wow what have I been missing the last twelve months!
