The Story:

Alex is very nice, intelligent and chatty. She really enjoys sex. but I didn't enjoy this punt that much. Her french kisses are really deep and intense but didn't turn me on that much. She was a little bit too big and soft for my taste. Her pussy was almost totally shaven and tasted really strange, like she had an infection, a real turn off. according to other reports she does swallow but she only blew me a very short time and she wanted me to come on her tits. anal is 50 extra, didn't try it. agency seemed really nice and helpful.
