The Premises:

nice and comfortable , makes you feel at ease when you see a comfortable and clean place

The Lady:

pretty face (not shown on website) , VERY nice (big) breasts , medium height , definitely sexy , BETTER LOOKING THAN SOME ? 300 PER HOUR GIRLS I ENCOUNTERED (I STILL CAN'T BELIEVE THIS WAS ONLY ? 150)

The Story:

Now this was REALLY good ; I didn't think it would be when I entered but I soon found out that this good looking girl is absolutely fantastic at what she does . I normally detest when people write " I won't go into details " because it rings an alarm bell in me thinking NO DOUBT this has been written by the girl herself . BUT I will give you a hint : she does almost anything IF you are nice and (again a cliché) : I don't want anyone to drive her out of the business - so please be nice to her - because Jessica is capable of being intimate , is really good looking , even has a sense of humour (and don't make you feel like a punter) . All in all the BEST punt (see my other reports) EVER ! Perhaps I shouldn't have written this report `cause she is just TOO GOOD (getting horny just writing this report).

VERY HIGHLY RECOMMENDED ! 11 OUT OF 10
